

Hi Members,

Please find following updates and information relevant to all facets of the club for the next week or two. Please make sure you have a good look through all the information below and get back to me if anything needs clarifying further or if you would like more information.

## **JUNIOR SURF**

### **Papamoa Junior Invitational Carnival**

Congratulations to all our Junior Surf athletes that represented the Club last Saturday. There were some great individual performances but probably the best performance of the day goes to the vast team that helped put on such a fantastic day for our own & visiting clubs. Thanks must go to all the Lifeguards, Junior Surf Coaches, Officials, Parents and Sponsors that helped make the day run smoothly. I have had numerous positive comments & e-mails from a wide range of people (Junior Surf Coordinators, Coaches & Parents) connected with the visiting clubs and would like to share the following e-mail from Piha with you all as I believe this sums up all the comments I've received:

***"Thank you for a fantastic carnival, it was a real eye opener, for those of us from Northern, of how a carnival should and can be run! Our kids and parents really enjoyed themselves and we look forward to attending again next year. Thanks to all of your helpers and the wonderful officials."***

Feel proud to be a part of a Club that is leading the way in many facets of Surf Lifesaving!

### **Nationals**

We're finalising the Club flights, accommodation, and catering for NZ National in Christchurch on 11-13 March 2011. ### **LIFEGUARDS**

Thanks to those lifeguards that assisted at last weekend's Papamoa Junior Invitational Carnival. A job well done by all. If anyone is wanting extra hours or has a free day come on down and help out any patrol over the next few weekends. Numbers will be low due to all the carnivals coming up so it will be all hands on deck, especially this weekend.

The switch to the new uniform lifeguard polo shirt is almost complete. If you have not received your new shirt yet please contact Nikki in the office or Shaun Smith and drop off your old one. We only have mediums left at the moment and are waiting for supplies of other sizes so please let me know if you are waiting for another size so I can advise you when they arrive. If there are any newly qualified lifeguards that have not yet received lifeguard shorts please contact Nikki in the office. Other uniform (jackets, hats, caps, rash shirts, bags etc) is available for sale at very subsidised prices so contact Nikki if you would like anything.
